RE: GPTQ Specification Review Process
Review No. 154
Supplemental Specification 413

SENT VIA E-MAIL ONLY

Dear Mr. Moellering:

The proposed Supplemental Specification is attached and is also located at <http://www.gptq.com> for review. Comments are being requested exclusively for the portions of the Supplemental Specification that have been changed. The changes have been highlighted for ready reference.

Detailed comments with supporting information and suggested modifications to the proposed changes need to be received from the Stakeholders by the GHCA no later than July 19, 2010 such that the GHCA will have faxed all comments to each of the GPTQ Specification Review Team Members no later than July 20, 2010.

If a meeting with the Stakeholders needs to be scheduled, I will notify you. If you need any additional information, you may call me at 404-631-1499.

Sincerely,

Matthew E. Cline
GPTQ Specification Review Team Leader
